Bethany Chandelier

By Thesis

Description

The Bethany Chandelier is inspired by the graceful balance of branching of tree limbs. Finished in a deep forged bronze, the arms feature soft curves and a unique carved texture that continues onto the canopy for a handcrafted look. Tapered natural linen shades provide diffused illumination, with the ability to be removed for a sleek silhouette. Subtle yet distinctive, the Bethany blends the beauty of nature with refined craftsmanship.

Shown in forged bronze / natural

Specifications
