Bethany Wall Sconce

By Thesis

Description

The Bethany Wall Sconce is inspired by the graceful balance of branching of tree limbs. Finished in a deep forged bronze, the arm features a soft curve and a unique carved texture that continues onto the canopy for a handcrafted look. A tapered natural linen shade provides diffused illumination, with the ability to remove it for a sleek silhouette. Subtle yet distinctive, the Bethany blends the beauty of nature with refined craftsmanship.

Shown in forged bronze / natural
