Jacks Color Select Outdoor Wall Sconce By Thesis

Description

The Jacks Color Select Outdoor Wall Sconce makes a striking statement through bold geometry and confident restraint. A seamless 5CCT integrated LED panel with selectable 2700K, 3000K, 3500K, 4000K, and 5000K color temperatures casts a soft, even glow against a sharply ribbed backplate, creating depth and dimension. With its clean modern profile and ADA-compliant design, Jacks elevates spaces with strong lines and thoughtful detail.

Shown in textured black / frosted
