Luca Picture Wall Light

By Eichholtz

Description

The Luca Picture Wall Light blends natural texture with classic style. To create a sense of boho charm, rattan is wrapped around the shade for organic warmth adding life to the vintage brass form. An articulating arm allows for precise place of the shade, allowing light to be directed where needed. Perfect for over a piece of art, on a book shelf, or anywhere you need a flexible lighting solution.

Shown in antique brass / rattan
