Ramble Table Lamp

By Eichholtz

Description

Designed in collaboration with the Metropolitan Museum of Art, the Ramble Table Lamp is inspired by a chrysanthemum-shaped dish from China's Qing dynasty. Its antique gold finish and black marble base combine to create a striking visual contrast, channeling the poetic spirit of historical ceramic design. Place the Ramble in a entry, living room, or den for a touch of timeless elegance. On/off switch on socket.

Shown in gold / black
