Modena Linear Chandelier

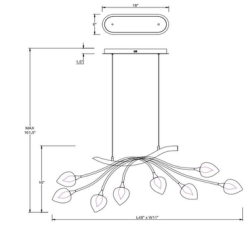

By Lib & Co

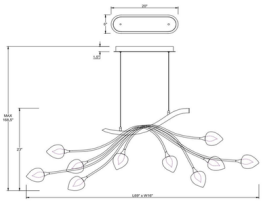

Description

The Modena Linear Chandelier brings an organic elegance to any interior, inspired by the delicate beauty of blooming fuchsia flowers. Gracefully flowing branches extend outward, each adorned with handcrafted glass buds that sparkle with exquisite detail. Illuminated from within, each delicate bloom emits a soft, luminous glow, creating an enchanting interplay of light and shadow throughout the space. The result is a sculptural statement piece that captures the natural beauty of a flowering branch with timeless sophistication.
