TruTrack Trim Magnetic 2-Circuit Recessed Track 24V Easy Kit

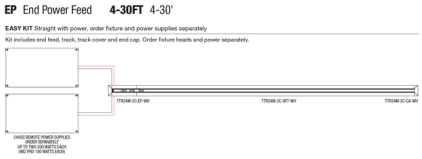

By PureEdge Lighting

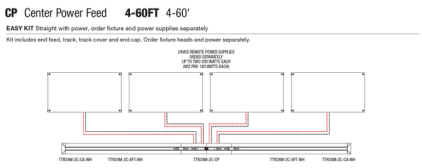

Description

The TruTrack Trim Stright Run Easy Kit is a 2-circuit, recessed track system that recesses within any 5/8 inch drywall, tile and millwork flat surface to blend seamlessly within the space. The trim flange and slot cover are paintable, allowing TruTrack Trim to become one with the architecture. The Recessed TruTrack Trim Easy Kit with End Power Feed is available in 2 foot increments from 4-30 feet and includes an end feed, track cover and end cap. Fixture heads and power supplies are sold separately. Note: See track head for required power supplies. The Recessed TruTrack Trim Easy Kit with Center Power Feed is available in 2 foot increments from 4-60 feet and includes a center feed, track cover and end caps. Fixture heads and power supplies are sold separately. Note: See track head for required power supplies.
