DAMP

Description

With soft curves and sculptural elegance, the Adelyn Chandelier captures the delicate beauty of flowers in bloom. Each glass shade is uniquely shaped, reminiscent of gently unfurling petals kissed by morning light. The rich gold leaf finish adds a warm, radiant glow, enhancing the organic silhouette with a touch of old-world romance. Whether placed in a bedroom, hallway, or intimate living space, Adelyn offers more than light, it offers poetry in form, inviting a sense of calm and quiet beauty into your home.
