Alessandro Table Lamp

By Quoizel

Description

Grounded in sculptural elegance, the Alessandro table lamp blends strength and softness with quiet confidence. Its ribbed matte black base, crafted from real marble, feels timeless and tactile, like a weathered stone shaped by nature. Topped with a classic fabric shade that casts a warm, inviting glow, Alessandro creates a beautiful contrast between solid form and soft light. The effect is one of intimacy and stillness, perfect for bedside tables, reading nooks, or quiet corners. Understated yet refined, Alessandro is a love letter to form, balance, and atmosphere. On/off switch located on cord.
