Alexander Chandelier

By Quoizel

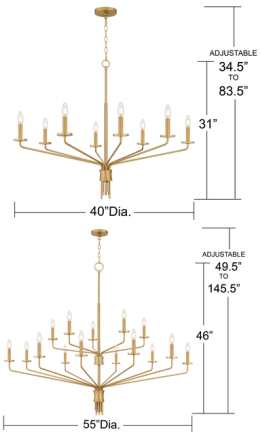

DAMP

Description

Graceful yet bold, the Alexander Chandelier strikes a perfect balance between modern geometry and timeless romance. Its sweeping arms radiate outward like a starburst, each one holding a glowing light that feels both sculptural and soft. Choose the brushed gold finish for a warm, golden-hour glow or opt for matte black for a dramatic, contemporary edge. Whether suspended above a dining table or in a grand entryway, Alexander creates a captivating centerpiece that enchants from every angle, a chandelier made not just to illuminate, but to inspire. Optional candle covers included.
