Bree Wall Sconce By Quoizel

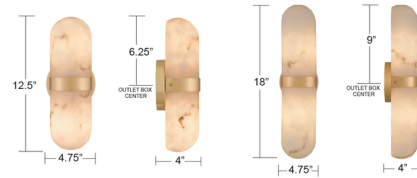

Description

Sleek and sculptural, the Bree Wall Sconce captures the poetry of soft light and elegant form. Its smooth, pill-shaped silhouette features a glowing alabaster resin shade that radiates a warm, diffused glow, like candlelight behind clouded stone. Bree offers a versatile touch of romance, whether flanking a mirror, lining a hallway, or accenting a cozy reading nook. A gentle blend of modern minimalism and timeless beauty, Bree creates an atmosphere that feels both intimate and effortlessly sophisticated. Can be mounted horizontally or vertically.
