Clovis Convertible Semi Flush / Pendant

By Quoizel

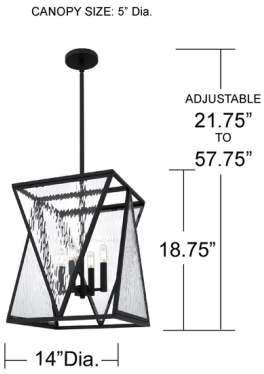

DAMP

Description

Sculptural and softly luminous, the Clovis Pendant blends classic charm with a modern edge. Its bold geometric frame cradles panels of clear water glass that ripple with movement, casting a glow that feels both timeless and alive. Whether suspended as a pendant or styled close to the ceiling in its semi-flush mount form, Clovis transforms any space into a story of contrast and elegance. A romantic interplay of light and form, it's designed to captivate - day or night.

Shown in matte black / clear water
