Eliana Table Lamp

By Quoizel

Description

Sculptural and serene, the Eliana Table Lamp is a quiet celebration of elegance and natural beauty. Its base, crafted from real marble, each piece uniquely veined, anchors the lamp with timeless sophistication. A brushed gold finish adds a touch of warmth and refinement, while the fabric shade softly diffuses light, casting a gentle glow that feels as intimate as candlelight. Whether placed on a bedside table or in a cozy reading nook, Eliana brings a sense of romance and grace to any space. On/off switch located on cord.
