Eloura Chandelier

By Quoizel

DAMP

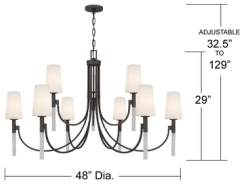

Description

Graceful curves meet sculptural elegance in the Eloura Chandelier, a statement of timeless beauty and modern romance. Finished in a deep iron gate patina, its sweeping arms cradle opal etched glass shades that softly glow like candlelight at dusk. Beneath each light, slender acrylic rods add a delicate shimmer, like dewdrops suspended in air, elevating the chandelier's allure. Eloura brings a poetic presence to dining rooms, foyers, or any space where elegance and warmth are meant to linger.
