Layton Bathroom Vanity Light

By Quoizel

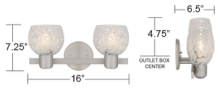

DAMP

Description

Softly luminous and artfully designed, the Layton Bathroom Vanity Light brings a gentle elegance to your daily rituals. Its brushed nickel finish lends a sleek, modern touch, while the white dot glass shades glow like frosted petals kissed by morning light. Each shade is delicately speckled, creating a dappled effect that feels dreamy and handcrafted. Whether mounted above a mirror or lighting a serene space, Layton casts a warm, flattering glow - perfect for slow mornings, quiet evenings, and everything in between. It's more than just lighting; it's a moment of calm, captured in glass and metal. Can be mounted up or down.
