Leland Table Lamp

By Quoizel

Description

The Leland Table Lamp is a love letter to timeless elegance and coastal serenity. Its cylindrical base, wrapped in brushed gold, rises like a sunbeam - sleek, radiant, and warm to the eye. Topping this golden column is a shade crafted from delicate Capiz shells, each hand-placed to create a shimmering mosaic that dances with the light. As the lamp glows, the translucent shell shade softly diffuses the light, casting a gentle, enchanting glow reminiscent of moonlight on water. Whether perched on a bedside table or gracing a quiet corner, the Leland invites calm, comfort, and a whisper of romance. On/Off switch on cord.
