Maisie Pendant By Quoizel

Description

The Maisie Pendant captures the soft poetry of air and light in motion. Gently curved panels of white swirl glass surround the fixture like flowing silk, their delicate patterns evoking wisps of clouds on a golden afternoon. Each glass piece is uniquely marbled, creating a luminous effect that shifts with every glance. Anchored in a warm brushed gold frame, Maisie feels both airy and grounded - an elegant fusion of modern form and timeless romance.
