## Morgan Outdoor Wall Light

By Quoizel

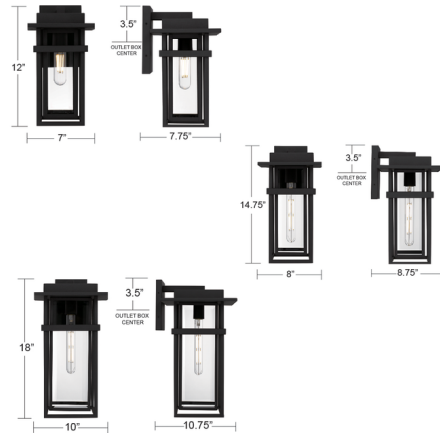

### Description

With a silhouette that evokes quiet evenings and glowing pathways, the Morgan Outdoor Wall Light casts more than just light - it creates atmosphere. Finished in a rich earth black, its architectural lines feel grounded and confident, while the clear beveled glass panels add a touch of refined sparkle, catching the light like dewdrops at dusk. Whether flanking an entryway or illuminating a garden path, Morgan radiates warmth and welcome, inviting guests in with a golden glow and whispering stories of home under a canopy of stars.
