Burnett Pendant

By Quoizel

Description

Delicately sculpted and endlessly versatile, the Burnett Pendant feels like a breath of fresh air suspended in time. Its slender silhouette is adorned with soft, cloud glass - each shade a swirl of gentle white. Available in brushed nickel, brushed gold, or matte black, Burnett complements a range of styles with a quietly graceful presence. Hang it alone for a subtle statement or in multiples for a layered lighting look.

Shown in matte black / cloud glass
