Description

Gracefully suspended like a constellation frozen in time, the Cora Island Light brings an air of effortless romance to any space. Its delicate branches intertwine in a poetic dance, each tipped with teardrop crystals that shimmer like morning dew. Whether in a warm gold leaf or a bold matte black finish, Cora becomes a sculptural statement - modern yet organic, dramatic yet serene. With integrated LED lights nestled within each crystal bloom, Cora casts a soft, radiant glow -- perfect for dining rooms, bedrooms, or any modern space.
