# Theodore Island Light

By Quoizel

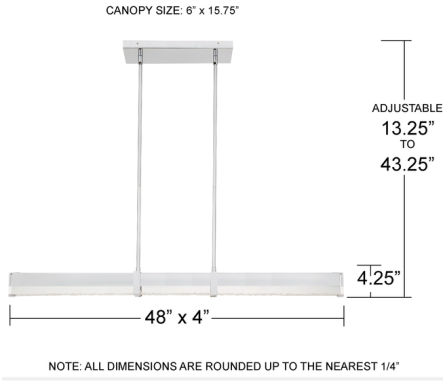

DAMP

## Description

Sleek and radiant, the Theodore Island Light captures the quiet beauty of city lights reflected on glass. Its minimalist silhouette is elevated by textured acrylic, which glows like crushed ice under soft illumination, diffusing light with a warm, intimate shimmer. Offered in polished chrome for a mirror-like elegance or matte black for bold contrast, Theodore is the perfect balance of structure and softness. The integrated LED lighting ensures a continuous, romantic glow - effortless and enduring.
