Turner Color-Select Island Light By Quoizel

Description

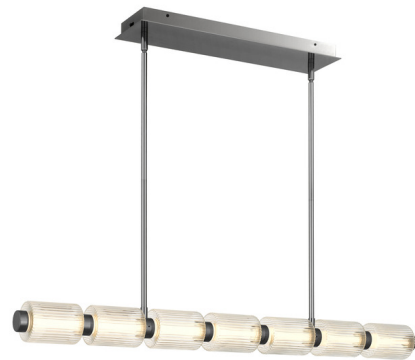

Infuse your space with a quiet elegance and radiant charm with the Turner Color-Select Island Light. With its striking black chrome finish and clear ribbed glass shades, Turner captures the essence of modern romance. Designed with modern convenience in mind, Turner features an integrated LED light source and an adjustable color-select switch, offering five selectable color temperatures (2700K/3000K/3500K/4000K/5000K). This allows you to effortlessly set the mood, whether you're seeking the golden tones of candlelight or the crisp clarity of daylight.
