Young Outdoor Wall Light

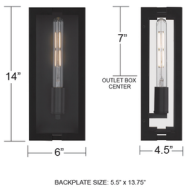

By Quoizel

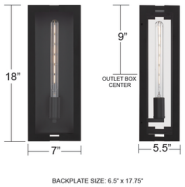

Description

Sleek yet soulful, the Young Outdoor Wall Light pairs modern geometry with timeless charm. Its matte black frame and clear tempered glass create a crisp, architectural silhouette, while two included sets of candle covers, matte black for understated elegance or gold for a warm, inviting glow, let you tailor the mood. The distinctive slot crossbar adds subtle visual intrigue, and the versatile design allows the lantern to shine with the bulb facing up or down. Whether gracing an entryway or lighting a garden path, Young brings a quiet sophistication that glows day and night.
