Shiro Outdoor Table Lamp

By Santa & Cole

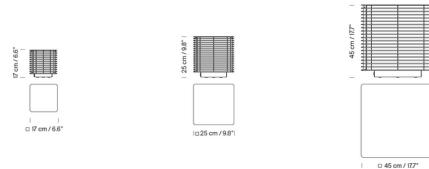

Description

The Shiro Outdoor Table Lamp takes its name from the Japanese word for white, which symbolizes emptiness, honor, purity, and calm. The lamp echoes these principles with its rational, refined structure: a cubic shape that filters light through its slatted sides. Shiro produces a soft, grazing light that will create a calming, balanced atmosphere. May be used as a plug-in fixture, or hardwired in a fixed location.

Shown in white grey
