Olisa Table Lamp

By Uttermost

Description

The Olisa Table Lamp features a classic ceramic urn-shaped base finished in layered shades of green, blue, and earthy brown, accented with antique brass-plated details. It is topped with a slightly tapered round hardback shade in an off-white linen fabric. Due to the nature of fired ceramic glazes, each piece will display subtle variations in finish, making every lamp uniquely distinctive. Designed for both style and functionality, it is equipped with a convenient 3-way socket switch that allows for adjustable lighting levels to suit a variety of settings and moods.
