Torres Table Lamp

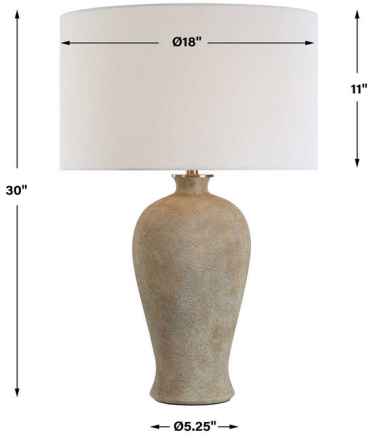

By Uttermost

Description

A classic silhouette is elevated with organic texture in the Torres Table Lamp. Its mottled finish is paired with brass-plated accents for a warm, versatile look that works across a range of interiors. A rounded drum shade with a hardback construction is wrapped in casual white linen, softening the overall profile and diffusing light with an easy, relaxed feel. Designed for both style and functionality, it is equipped with a convenient 3-way socket switch that allows for adjustable lighting levels to suit a variety of settings and moods.
