Banner Table Lamp By Uttermost

Description

The Banner Table Lamp showcases a bold silhouette with two large stacked ceramic spheres, finished in a rich moss green glaze with subtle tonal variation that adds depth and character. Antique brass plated details provide a refined accent, complementing the organic color palette. The round hardback drum shade is covered in crisp white linen fabric, creating a clean contrast to the vibrant base. Equipped with a three-way socket for customizable lighting levels. Due to the nature of fired glazes on ceramic lamps, finishes will vary slightly.
