Sonic Floor Lamp

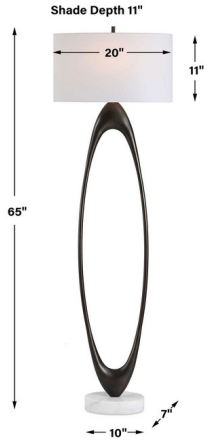

By Uttermost

Description

The Sonic Floor Lamp features a rich dark bronze finish and rests gracefully atop a substantial white marble foot showcasing natural veining. Antique brass-plated accents add warmth and sophistication, while the oval hardback drum shade, wrapped in crisp white linen fabric, completes the design with a clean, refined look. Due to the nature of natural marble, each piece will feature unique variations in veining and coloration. This lamp is equipped with a three-way socket, allowing for adjustable lighting levels for added versatility and control.
