Brownell Table Lamp

By Uttermost

Description

The Brownell Table Lamp showcases a striking two-tone finish, featuring a metallic rust brown glaze paired with a dark bronze lower section for added depth and visual interest. Antique brass plated accents lend a touch of warmth and sophistication to the design. The slightly tapered hardback shade is covered in a light beige fabric with natural slubbing, enhancing its organic appeal. This lamp is equipped with a three-way socket, allowing for adjustable lighting levels for added versatility and control. Due to the nature of fired glazes on ceramic lamps, finishes will vary slightly, making each piece unique.

Shown in brown / bronze / antique brass / beige
