Brownell Table Lamp By Uttermost

Description

The Brownell Table Lamp showcases a striking two-tone finish, featuring a metallic rust brown glaze paired with a dark bronze lower section for added depth and visual interest. Antique brass plated accents lend a touch of warmth and sophistication to the design. The slightly tapered hardback shade is covered in a light beige fabric with natural slubbing, enhancing its organic appeal. This lamp is equipped with a three-way socket, allowing for adjustable lighting levels for added versatility and control. Due to the nature of fired glazes on ceramic lamps, finishes will vary slightly, making each piece unique.
