Vale Table Lamp

By Uttermost

Description

The Vale Table Lamp features a distinctive ceramic base with horizontal grooves, finished in a subtle gray wash with warm beige and earthy brown undertones. Antique brass-plated accents add a refined touch, while a slightly tapered round shade in warm white linen softens the overall silhouette for a balanced, versatile look. Designed for both style and functionality, it is equipped with a convenient 3-way socket switch that allows for adjustable lighting levels to suit a variety of settings and moods.
