Harris Table Lamp

By Uttermost

Description

The Harris Table Lamp showcases a richly textured base finished in a mottled brown crackle glaze, giving it a timeworn, organic character. Antique brass plated accents add a refined contrast to the earthy tones of the base. It is completed with a classic round hardback drum shade in a warm white linen fabric, providing a soft, balanced glow. The lamp is equipped with a three-way socket, allowing for adjustable lighting levels to suit different moods and settings. Due to the nature of fired ceramic glazes, each piece will exhibit slight variations in color and finish, making every lamp subtly unique.
