## Hollis Table Lamp By Uttermost

### Description

The Hollis Table Lamp showcases a smoothly curved ceramic base finished in a vivid teal glaze, complemented by refined antique gold detailing for a touch of contrast. It is topped with a classic round hardback drum shade wrapped in a relaxed white linen fabric, offering a clean, versatile look. This lamp is equipped with a three-way socket, allowing for adjustable lighting levels to suit different moods and settings. Due to the hand-applied nature of fired ceramic glazes, each piece will have subtle variations in finish, making every lamp unique.
