Prisma Table Lamp

By Uttermost

Description

The Prisma Table Lamp showcases a faceted ceramic base finished in a metallic smoky bronze glaze with rich dark teal undertones, accented by antique brass-plated details for added sophistication. A round hardback drum shade in crisp white linen provides a clean contrast, enhancing the lamp's refined aesthetic. Due to the handcrafted nature of fired ceramic glazes, slight variations in color and finish may occur, making each piece unique. Designed for both style and functionality, it is equipped with a convenient 3-way socket switch that allows for adjustable lighting levels to suit a variety of settings and moods.
