Mckinley Table Lamp

By Uttermost

Description

The Mckinley Table Lamp brings rustic character to any space with its white base accented by a textured pattern of dark and light chocolate brown brushstrokes. Antique brass-plated details add a refined touch, while the slightly tapered round hardback shade, covered in warm white linen, softens the look with inviting warmth and texture. The combination of earthy tones and artisanal detailing creates a timeless, versatile accent for a variety of interiors. 3-way socket switch.
