Ararat Table Lamp

By Uttermost

Description

The Ararat Table Lamp showcases a striking art glass base featuring a dynamic swirl of white and brown tones, creating a unique and eye-catching look. Antique brass plated accents add warmth and sophistication to the design. A round hardback drum shade covered in crisp white linen fabric completes the piece, offering a clean and timeless finish. This lamp is equipped with a three-way socket, allowing for adjustable lighting levels for added versatility and control. Due to the handcrafted nature of art glass, slight variations in color and pattern may occur, making each lamp uniquely its own.
