Ruffle Up Table Lamp

By Uttermost

Description

The Ruffle Up Table Lamp features a distinctive, organically shaped ceramic base finished in a richly layered glaze blending shades of blue, green, and warm brown for a naturally variegated, artisanal effect. It is elevated by a substantial crystal foot and accented with antique brass-plated details that add a refined metallic contrast. The design is completed with an oval hardback shade wrapped in casual white linen, offering a soft, relaxed counterbalance to the sculptural base. This lamp is equipped with a three-way socket, allowing for adjustable lighting levels for added versatility and control. Due to the nature of fired ceramic glazes, each piece will display subtle variations in finish, making every lamp uniquely one of a kind.
