## Jaudon Table Lamp By Uttermost

### Description

This captivating Jaudon Table Lamp showcases an organic, deeply ridged base finished in rich chocolate brown tones with warm bronze undertones, creating a lustrous, variegated glaze effect. Elegant brass-plated accents add a refined contrast, highlighting its sculptural form. It is topped with a classic round hardback drum shade in crisp white linen, offering a clean, balanced contrast to the textured base. This lamp is equipped with a three-way socket, allowing for adjustable lighting levels for added versatility and control. Due to the nature of fired ceramic glazes, each piece will feature subtle variations in finish, making every lamp uniquely distinctive.
