Out Of The Blue Table Lamp

By Uttermost

Description

The Out Of The Blue Table Lamp features a cylindrical base highlighted by a striking drip glaze, showcasing a dynamic blend of blue and green tones with soft, light undertones. Antique brass plated details add a refined accent, enhancing its modern artisanal appeal. It is fitted with a three-way socket for adjustable lighting levels. The round hardback drum shade is covered in a crisp white linen fabric. Due to the nature of fired glazes on ceramic lamps, finishes will vary slightly.
