## Mckay Table Lamp By Uttermost

### Description

Elevate your decor with the stylish McKay Table Lamp, showcasing a striking dark green ceramic base accented with ribbed texturing and paired with sleek brass plated details. The rich finish and clean silhouette create a sophisticated look, while the coolie shade covered in crisp white linen fabric adds a fresh, timeless touch. Due to the nature of fired glazes on ceramic lamps, finishes will vary slightly. This lamp is equipped with a three-way socket, allowing for adjustable lighting levels for added versatility and control.
