## Meyer Table Lamp

By Uttermost

### Description

The Meyer Table Lamp features a shapely ceramic base finished in a moss green glaze, complemented by lightly antiqued brass-plated accents. A round hardback drum shade wrapped in crisp white linen completes the design, creating a refined balance of color, texture, and timeless style. Due to the nature of fired ceramic glazes, slight variations in finish may occur, making each piece unique. 3-way socket switch.
