Mina Table Lamp

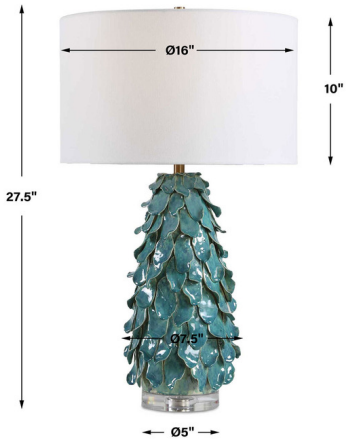

By Uttermost

Description

The Mina Table Lamp showcases a beautifully sculpted ceramic base adorned with individually formed, flowing leaves, creating an elegant sense of movement and texture. Finished in a captivating aged teal blue glaze with blended tonal variations, the design is elevated by a thick crystal foot and antique brass plated accents. A round hardback drum shade covered in crisp white linen fabric completes the look with a clean, timeless touch. This lamp is equipped with a three-way socket, allowing for adjustable lighting levels for added versatility and control. Due to the nature of fired glazes on ceramic lamps, finishes will vary slightly, making each piece uniquely one of a kind.
