Rosin Floor Lamp

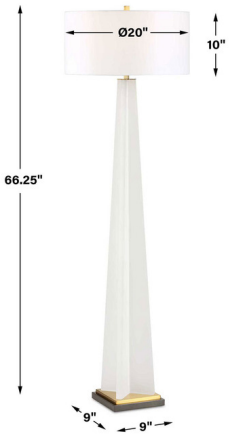

By Uttermost

Description

The Rosin Floor Lamp showcases a sleek, tapered silhouette crafted from frosted white acrylic, creating a clean and modern aesthetic. The design is elegantly anchored by an iron foot finished in a sophisticated combination of antique brass and black, complemented by coordinating antique brass-plated hardware for a refined touch. A round hardback drum shade wrapped in crisp white linen fabric completes the look, softly diffusing light and enhancing its contemporary appeal. This lamp is equipped with a three-way socket, allowing for adjustable lighting levels for added versatility and control.
