Saltwater Indoor / Outdoor Side Table By Uttermost

Description

Made from a blend of natural concrete and sand, the Saltwater Side Table showcases a distinctive wavy form with rich surface texture and visual depth. It combines the durability of reinforced concrete with a refined, softened finish for a balanced look. The Saltwater Side Table works well on its own or can be paired with the matching Saltwater coffee table for a layered, bunching-style arrangement. Designed for versatility, it is suitable for both indoor and outdoor settings.
