Claridge Nesting Table Set Of 2

By Uttermost

Description

The refined Claridge Nesting Tables feature polished white marble tops accented by delicate veining in soft gold and gray tones. Each surface is supported by an elegant base with gently tapered legs, finished in an antique gold tone for a warm, sophisticated contrast. As natural stone is inherently unique, variations in patterning and veining will occur from piece to piece, ensuring each table is one of a kind.

Shown in antique gold / white marble
