## Coastwood Indoor / Outdoor Drink Table By Uttermost

### Description

The Coastwood Drink Table is sculpted from a single piece of natural teak root, making every table truly one of a kind. Its refined silhouette is enhanced by a bleached natural finish that highlights the wood's rich grain and depth. As a solid wood piece, it will naturally respond to changes in temperature and humidity over time, which may lead to minor cracks or subtle surface irregularities features that enhance its authenticity and character. Designed for versatility, it is suitable for both indoor and outdoor settings.
