Cas Ottoman

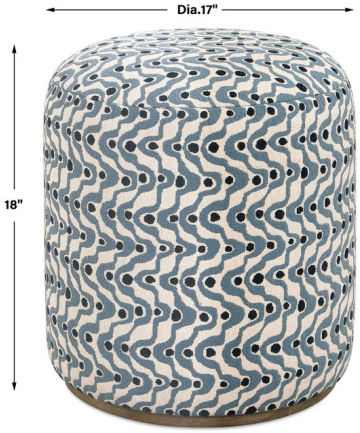

By Uttermost

Description

Wrapped in a snug soft fabric, the Cas Ottoman showcases an eye-catching pattern of organic steel blue swirls accented with rich navy details. A solid wood base finished in a natural ceruse lends warmth and texture, beautifully complementing the contemporary design. Equally functional and stylish, it serves as extra seating, a comfortable footrest, or a distinctive accent piece, whether displayed individually or grouped with others for added impact.

Shown in steel-blue/navy
