## Interweave Counter Stool

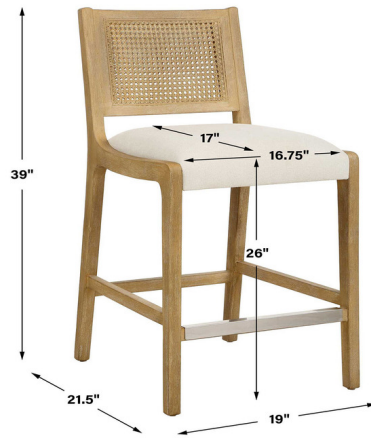

By Uttermost

### Description

Blending casual coastal style with elevated detail, the Interweave Counter Stool features a swooped solid wood frame finished in light oak ceruse. A rattan caned back provides breathable support, paired with a plush seat upholstered in frost-toned polyester fabric. The fabric is treated with a non-toxic, eco-friendly finish for resistance to water-based stains. Completed with a brushed nickel metal kick plate for added durability and style.

Shown in nickel / light oak / frost
