Paloma Outdoor Dining Chair

By Uttermost

Description

Enjoy alfresco dining in the Paloma Outdoor Dining Chair, thoughtfully designed for both comfort and durability. Its gently sloped, curved back provides supportive seating, while twisted oatmeal all-weather wicker adds rich texture and timeless appeal. The sturdy mahogany wood frame is finished in a cerused wheat tone, enhancing its natural beauty and ensuring long-lasting performance in outdoor settings. Completing the design is a plush seat cushion upholstered in oyster white solution-dyed acrylic fabric, engineered to resist moisture, dirt, and the demands of everyday outdoor living while maintaining its refined appearance.
