## Panthella 160 Portable Table Lamp

By Louis Poulsen

### Description

The Panthella 160 Portable Table Lamp is based on Verner Panton's original 1971 design, which sought to provide pleasant, glare-free illumination by obscuring the light source. To accomplish this task, the lamp reflects light off of the inside of the dome shade and the trumpet-shaped base to provide indirect lighting. This portable version of the Panthella lamp features a built-in LED light source and rechargeable battery, allowing it to be placed wherever it is needed to create the perfect ambiance. Includes USB-C to USB-C charging cable (wall adapter not included). Touch dimmer switch located on top finial.

### Specifications

|                       |                       |
|-----------------------|-----------------------|
